

Runner-up in the 1952 Senior TT, 26.6s behind Reg Armstrong (Norton), Les Graham corners the MV Augusta four at Creg-ny-Baa on the last lap. Much earlier, a missed gear had blunted the engine's fine edge, and Graham lost more time through a sluggish pit stop

Rowland's five

DAVE ROWLAND (250 Montesa) dropped his foot just five times to win the Manchester Eagle Club's hard-fought Charles Markham Trial near Buxton on Sunday.

Jim Sandiford (250 JAS Bultaco) had only three dabs and looked a certain winner until he dropped a soft five at Manor Steps, cleaned by almost everyone else, which put him behind both Rowland and local ICI engineer Harvey Lloyd (250 Bultaco).

The event was the eighth round of the Cheshire Centre Championship.
