Rowland leads landslide

DAVE ROWLAND led a strong Manchester "17" team to compete against the Sheffield and Hallamshire team on Sunday in the Snake Pass area near Sheffield and had a landslide victory.

The event, which was combined with a South Yorkshire Group Trial, took place over three laps of an 18-section course and the 74 riders had an outing in perfect weather.

Mick Andrews backed Rowland up and both finished well clear of anyone else.

This was the first leg in a challenge trial series.
